Excerpt from the Brampton Guardian 2000

Len Smith has been an integral part of Brampton's Telecare Distress Centre since its inception. He trains new Volunteers, has spent thousands of hours listening to those in need of advice and support, and take the hard-to-fill overnight shifts. He has also volunteered for Scouts Canada for more than 25 years. (he is still volunteering). For this he received Brampton Citizen's award in 2000. Club activities always there for cleanup days, extra work at the pits, working on Elwood's memorial garden, picking up slabs, using his own gas to run around for club business, helped in building our clubhouse and shelters and the list goes on. His own personal horseshoe achievements: Won 1<sup>st</sup> place in "C" division 1991 & 2002 and the "D" division 2005, 2006 & 2010, won Player of the Week in 2004, 2006, & 2010, along with 1<sup>st</sup> place in many of the tournaments. Club average 12.1% high year was in 1998 17.3%. Thanks Lenny for all, you have done throughout the past 21 years, and, I am sure, you will continue, for many more years to come. "Recognition long over due" "Now you know the rest of the story"
