

BRAMPTON MEN'S HORSESHOE CLUB

FELLOWSHIP – SPORTSMANSHIP – FRIENDLY COMPETITION

INFORMATION FOR NEW MEMBERS

2019

Elwood Pembleton and Bert Large started the club in 1978, with 35 players; we currently have 129. Our club appeals to many age groups; the youngest presently is 30 and the oldest 81. In the past we were 100 % affiliated with Horseshoe Ontario and Horseshoe Canada, with a total membership of over 7500. This affiliation permitted us to participate in all sanctioned tournaments throughout North America. This year, it will be up to the individual player, whether he joins Horseshoe Ontario, the cost of joining Horseshoe Ontario is first year \$10, after that \$30.. In 2000 we hosted the Ontario Singles championship, which was a first for our club. We added 12 portable pits for this event, which drew 161 players' from across the Province.

Canadian Championships will be hosted by our club, on August 14 – 17th 2019 at the CAA if and when we finalize the contract, if not it will be held at our park and additional courts will be set up.

PURPOSE: FELLOWSHIP, SPORTSMANSHIP, FRIENDLY COMPETITION, AND A WILLINGNESS of all members to help, develop, and improve the skills of all the players. To provide a place for all skill levels to compete on even competitive terms.

PLACE: Centennial Park 80 Mary St. Brampton with 12 floodlit courts, all built to Horseshoe Canada regulations. In July 2003, a storage facility funded and built by our members, 2007 we erected 2 picnic shelters (14' x 20') funded and built by our members. We have water supply to the pits, and in 2008 we installed a PA system, 2008 with the cooperation of the City of Brampton, together we built a Memorial Gardens to Honour Elwood Pembleton and street signs reading Elwood Pembleton Way on the pathway that that goes through the park, 2011 we built a third shelter. In the spring of each year we have our park and courts, cleanup day. In the past, members paid to replace broken slabs and backboards, leveled the infield with tons of limestone, that all changed in 2012, when we completely overhauled all the courts and now are almost maintenance free. They are state of the art courts, the finest anywhere. 2013 Laid a new pad for bleachers and new storage box. In 2014 we upgraded our PA system at the park and can be used at our banquet. 2016 We built a shelter over the barbeque area and 2017 made further improvements. Being a not – for profit affiliated club with the City of Brampton, if we have funds leftover we donate to local charities or to the Red Cross when world crises arise and have setup a benevolent fund for members when sick or if one of our members pass away.

SCHEDULE: The club operates every Tuesday and Thursday night, starting the first week in May, for 20 weeks, starting at 07:00pm. Most players arrive about 30 minutes early. In case of rain we play on the Wednesday if not the following Wednesday, in the case of Thursday night it will be played on the following Monday. Games will not be cancelled until 07:15 pm that night at the park. In 2013 with the overflow of members we started another division of 4 teams playing Thursday nights and under the same format as Tuesday nights. In 2014 increased to a 6 team division, 2016 4 teams, 2017 we had 6 teams and 2018 8 teams, with spares, this could change year to year according to the membership.

COST: \$ 70 per year, \$45 for seniors (65 and over in the current season) and \$50 spares. This entitles you to all club functions. If you decide to join Horseshoe Ontario add \$25.
All you need is your own pair of horseshoes, which can be purchased at the club.

DIVISIONS: The club on Tuesday is divided into four divisions, based on the average of the individual player's ability. Thursday with the number registered members, will decide how many teams in the "E" division. The teams are balanced to make the games as competitive as possible. The committee re-assesses the teams after the first three nights of competition.

Divisions are named after members who have contributed significantly over the years.
"A" John Loder – "B" Harry Collins – "C" Ken Condie – "D" Chris Gorman - "E" John Quackenbush

TEAMS: 30 teams are made up of 4 players per team, 8 games per night. Each player is guaranteed 4 games.
Games point system: "A" division 35 points - "B" division 30 points C "division 25 points - "D" division 21 points. Thursday night "E" division 21 points and number of teams not determined at this time.

STATISTICS: Game scores, individual player's ringers and shoes are recorded on our own professional scoreboard. This information is transferred to the stat sheet after each game and is totaled at the end of the night by the team captain. This information is then recorded on the statistician's computer and is available each week in the statistician's book and on our website.

AWARDS: Awards are handed out to the top three teams from each division with the highest total score for the 20 nights (160 games). It is the total points for the year, not wins, or losses that decide the champions. So make every point in every game count.

ELWOOD PEMBLETON AWARD (PLAQUE) is presented to the most improved player over his last year's average. When moving up to the 30 ft or 35 ft distance you must establish an average for one season.

GLEN BARTON MEMORIAL AWARD (PLAQUE) IS presented to the person having an outstanding night over his final average. Glen was a long time member and executive, until his sudden death in 1996.

PRESIDENT'S AWARD: (PLAQUE) is not necessarily handed out each year; it recognizes a member, who have gone above the call of duty or normal expectations, contributing to the betterment of our club.
