

2011 Appreciation Awards Presented at the Banquet

For various reasons not every member is available to do extra duty at the park. So on behalf of all the members, this Award is presented each year, to members that give up a considerable amount of their time to make improvements and contribute to making this club a better and more enjoyable place to play. This year 24 members received T-Shirt, with logo and name on the front. Many thanks for your hard work and dedication.

Receiving BMHC appreciation award: from the City of Brampton Parks Department

When we are in need of material for the pits, or building shelter #3 in 2011 they were there for us. Providing us with a place to preassemble the material, and delivered it to Centennial Park.

There crew of men and women are always very polite and willing to help when called upon, which I believe is a reflection of their leadership qualities.

You both are a real credit, not only representing the Parks Department, but the City of Brampton.

From all of our members we Thank You.

Tom Patrick Jamie Tufts

The members show their appreciation to Debra Halls and Staff for a job well done

Ken and Chris handing Debbie a club cap with over \$425, the money goes to the kids, she can have the cap.
