GLEN BARTON MEMORIAL AWARD HIGHEST AVERAGE FOR 1 NIGHT OVER HIS FINAL AVERAGE

### GLEN BARTON

Joined the club in 1983 and served as executive committee member. He loved the game of horseshoes and was very competitive, with a 40% average, but a fun guy to play against. He died suddenly of a heart attack on November 11, 1996.

Presenting the award on the right  
2015 Recipient Chris Gorman

It took him 23 years , and at the young age of 80, to finally have a good night. The one remaining award is the Elwood Pembleton's Most Improved Player. "He said" I hope it doesn't take another 23 years.

Started in 1997 by President Chris Gorman to honour the memory of Glen Barton

**Runner up Ed Straatsma**

**He just missed out on the Most Improved Player of the year and now the Glen Barton Award.**

**But what a year it has been, and it proves, that it pays to practice. Or maybe it was his family coming out each night to cheer him on?**

**Next year we hope it will be different**
