Sept 17	Twenty	Ken Condie	33.33%	15.71%	"B"	Robert Hakaj	38.71%	14.85%	"E"

Note: The first four weeks for POW is based on last year's average and you must play minimum of 4 games..
When changing pitching distance to be eligible for POW, you must establish an average for 4 weeks in the current year..

Ken Condie
24 ringers for 72 shoes
33.33%

Week 20

Runner Up
Robert Hakaj
24 ringers for 62 shoes
38.71%

Player of the Week is selected by their average for the night minus their club average, giving them a plus average for the night. The player with the highest plus average receives a hat.

You can only win once a season
