PRESIDENT KENNETH H CONDIE

Since joining the club in 1992, he has accomplished about everything you could wish for placing 2nd in the 2000 Ontario Singles Championships, 1st place in the "A" division, 1999, 2001, 2005, 2006, 2nd place 2000 and 2010, 3rd place 2008. He has won the Player of the Week; Iron Man of the year in 2000 and the past several years has won most of the club tournaments he has played in. Bob has a reputation of being a very out spoken person, and has his own special way with words, that is easy to understand, if you have read the yearbooks over the years, the captions in the pictures bring it to light. He brought this to the table, when he was elected for the 2006 and 2007 Executive committee, and contributed with his past experience in organized sports. "He made everyone accountable"

Bob has always been the first one to volunteer his services, for cleanup days and for any project, and when he is at the park, takes the time, to pick up debris, left by others, rake and pull weeds from the infield, and since 2008 has looked after the Elwood Pembleton Memorial Gardens. At tournaments he is the first, to start with the setting up, and cleanup, he always asks if there is anything else he could do. As you look through the pictures in years past and this year's book, you will find his picture during all the work days.

This year there were several members, that contribute a lot of their time working for the club, but Bob has been doing it over many years, and that is why, my selection was easy.

On behalf of all the members, I thank you for all your years of service, and I know you will continue, as long as you are able. **"Thanks Bob"**
