Tom joined in 1997 and immediately became one of the most popular members of our club and that has never changed over the past 20 seasons. He comes out each night with a smile on his face, encourages others that he is playing against, and tells a few jokes, and talks to everyone.

His average has fluctuated over the years as he changed from a flip shoe to a turn shoe, and health reason. His club average is 14.9% and his best year was 2000 with a average of 23.1% this past year he finished with a 20.28%. At the age of 76 he now has moved up to the 30 pitching distance and I am sure he will continue to improve his average.

He has dedicated his service to the club, all you have to say, we have work to be done and he was there. Was a strong voice on the executive committee for 8 years, but due to failing eye sight he could no longer drive to the meetings at night and decided to step down this year.

When playing out of town at either sanction tournaments, Ontario , Canadian or World Championships, he is recognized by the horseshoe community as a sportsman and just a good friendly guy.

Thanks again Tom for just being you. Ken.
