Over the years we have had several of our members step forward and take a keen interest in the activities of the club. Dave in a short period of time took on the responsibility of Treasurer and the Pop/water fund, and added a new touch of chocolate bars, which has added significantly to our funds, that we require to enable us to continue, with our upgrading to the park, and increased the prize money for the tournaments and playoffs. He takes the job

very seriously, on a weekly basis keeps me informed of our financial situation, restocks the refrigerator after Thursday's night and shops for bargains on pop and water. As mentioned on the plaque he has taken both jobs to a new level.

He is very dedicated horse player and not only plays in our club, but travels to Hamilton and plays throughout the winter on Tuesdays, Thursday and plays in their tournaments on the week-end.

His club average over the 6 season is 18.2%, his best year 2017 he finished with a 24.1%, played in the "C" division until he moved up to the "B" in 2016, where he currently plays. All the members he has played with enjoyed his camaraderie, dedication to team play and sportsmanship.
