MANY THANKS

President Kenneth H Condie

Jim has always taken an interest in helping to improve the playing conditions; I don't recall him missing a cleanup day or work day.

He was the first to volunteer his services, when Joe Travers needed help to paint and water the pits.

Jim is a very competitive person and when he can't perform at his best, he feels he has let the team down. He won first place in 2006 "C" Division and in the "B" Division 2011 & 2015 and almost won this year, when they lost on the last night.

He started in the "D" division played for 2 years, then the "C" division for 2 and in 2007 moved up to the "B" division where he currently plays. His best year was in 2015 when he finished with a 24.9% average. Over the past 17 years he has a very respectable average of 19.7%.

**He does live by our motto of Fellowship - Sportsmanship – Friendly Competition**
