

Honourary Member Tom Corner

Voted in 1987

He never received anything to recognize his induction. President Condie recommended to the executive to have plaques made, and handed them out on our 25th anniversary. In 2011 at the awards/banquet he was presented a plaque recognizing his award. .

For the first time, the members voted in Honourary Members: Bill Collier, Tom Corner, Bert Large and Elwood Pembleton for their dedication and development of our club. Individually they thanked the membership and received a loud round of applause.

Although Tom is no longer participating on a weekly basis, he still served on the Rules Committee and represents our club at national tournaments. Tom retired from his teacher's job and will spend his summers at his cottage in Bancroft.

He joined in 1980, served as Vice President in 1981 – 82, served on the executive Committee 1983 -1984. He retired from our club in 1985, until his return in 2000.
