I hope this letter finds all the members and their families well and hope you all survive the virus and being house bound. With majority of our members, about to be vaccinated, we should be in good shape to start the season on schedule. We are waiting to hear back from the city when it will be OK to start the season. As you are aware we played last year for eight weeks under strict conditions of wearing mask, maintaining the proper 6-foot distance, thankfully we had no incidents or reports of anybody having symptoms of the covid virus. So, the same protocol will be used again this year until we are told that we can relax and resumed normal playing conditions.

A few of us have been over to the park to practice during the nice weather we had in the later part of March, the pits are in good conditions and are open for you to practice.

As of right now the Legion is closed and we will have to forego the normal registration meeting, this year. We will ask you to fill out the registration form provided with this letter or on the website and send us your money by and **E-transfer** or you can send a cheque. Dave Corcoran, will send instructions by email of who to send it to, the signed registration forms can be sent by email to me signed.

We will be discussing with the city again this year about putting a roof over the stands an enlarging the tool shed, if this can be arranged for cleanup day on May 1<sup>st</sup> Or May 2<sup>nd</sup> we will start to build it.

This year we are scheduled to have a election which would be held at the banquet as you are aware there was little activity last year and we will bring it to the membership about having the executive stand for one more year and hold the elections for the 2023 season, at the 2022 banquet. One of the reasons is we're not sure if we will be able to hold the banquet this year if there are still restrictions on the number allowed inside.

Our tournaments this year will be run as scheduled, with the safety protocols in place, you will find the schedule at the end of this letter of all the tournament dates.

If you paid your membership last year it will be applied to this year's membership fee, we will list on the back page who paid.

**John Quackenbush who was scheduled last year to pitch out the first shoe to open our 43<sup>rd</sup> season will have the honour of opening our 44<sup>th</sup> season. He joined our club in 2007, this year will be his 12<sup>th</sup> year on the executive, served 6 years as Tournament Director and runs the "E" Division. We encourage all members to be there around 6:30 pm for picture taking and opening ceremonies, which will allow us to start at 7:00 pm**

Over the winter and spring Gary Branning and I have been working on the new website, it is now 100% ready. We will continue to make improvements to the History Book 1978 – 2012, it is broken into two volumes, total of 555 pages, so it may take time to load it.

If we get the approval the club will be run as in previous years, player of the week and all of the other awards. Weekly draw, pop and water etc.

I am a little behind schedule this year, so I urge you if you are not coming back this year, contact me ASAP. If you know of anyone wishing to join up please have them contact me and have them fill out a registration form.

When filling out the registration form please make sure you complete all of the form. The area requesting if you are a shift worker and what days you will miss due to working, vacation etc. Use the schedule and mark the week number. This is very important when placing you on a team. If you prefer to play on a different night than last year, please indicate the night on the top of the form.

Important: We ask you to mark on your registration form the distance you will start pitching from, you will not be allowed to move further up, but you can pitch anywhere within the 5-foot distance. It makes a difference to your average, the closer you stand. We want to balance the teams as close as possible. This is for members 65 years and older in the current year. You must establish an average for one year to be eligible for the Most Improve Players Award and for the Player of the Week after 5 weeks of play or a minimum of 20 games.

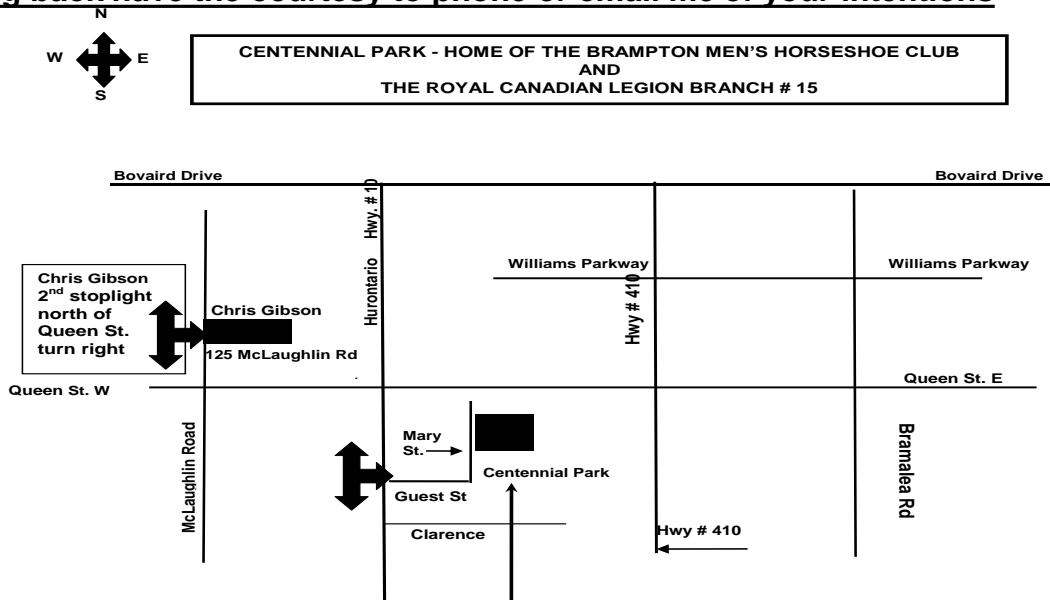

Go to our website click on other sites, click on Horseshoe Ontario and then Newsletter, this will give you all the horseshoe information that is happening in Ontario. They will no longer mail out a hard copy to members.

The Brampton Ladies Horseshoe Club will operate again this season on Thursday nights. They are looking for new members, if any of you have a wife, girlfriend or daughter that are interested in joining, have them contact Linda Starr at [lstarr66@hotmail.com](mailto:lstarr66@hotmail.com)

😊 ““Your support of the weekly draw, pop and water fund, helps us to make improvements and continue to provide playoff prize money, added money for tournaments and of course the annual awards banquet. 😊

If you are not coming back have the courtesy to phone or email me of your intentions
