The poorest turnout since the tournament started, it might have been the weather forecast, and the lower number of members this year due to the Covid virus.

For the first time we changed it from a singles to a doubles, hopefully it will be the last. The players enjoyed the format.

Started at 10:30 am 22 degrees finished at 3:00 pm 26 degree. The odd drizzle of rain, not enough to get you wet.

### 50 50 winner
