

May 10 2022 Week 2 Opening Night!

Welcome to the 45th season of Brampton Men's Horseshoe Club. It's been a tough couple of seasons with limited play, but hopefully we are almost back to normal, and we have a great summer to look forward to.

We have come a long way over the years and most of our success has been due to our fearless leader Ken Condie. I know we all wish him the very best in his "retirement" as President but we are hanging on to him on the Executive forever! We owe Ken a bunch of gratitude for what he and the past executive and members have built over his past 22 years as President. Our pits look amazing and we should all be proud of what we have accomplished! I and the Executive will continue to carry on with what Ken has created and do him proud! Hat's off to you Ken!

Thanks to all the members who came out on Clean up Day and to the guys that have been at the pits several times a week for the past few weeks getting everything ready. The work that has been done this season has been extraordinary! We could not have done this without you so **THANKS!**
