Players over 5% last Week

Player	% Over Avg	Player	% Over Avg
Chris Gorman	5.05%	John Dystra	6.685
John Acoin	7.94%	Ken Griffith	9.20% (need 4 wks to attain Avg for Pow)

Teams have been realigned for Week 4 and all team points will go back to zero. It's been a tough call on some teams and players due to our player shortage and trying to establish averages from several years ago. Looking back several years in some cases show potential numbers higher than what has been achieved in 2022 so we had to use some gut decisions to place players appropriately. There are still changes that can be made going forward so we will see how the next few weeks pan out. We are in need of our spares to fill the voids on teams.
